Arrival Time: _____

*****NO ASPIRIN OR BLOOD THINNERS 10 DAYS BEFORE THE PROCEDURE*****

If you are having an EGD Test, this is what you need to know...

****You can't have anything to eat or drink after midnight, the night before your test.**

****You may take your Morning Medications, but only with a sip of water.
(Heart, Blood Pressure, Stomach, Thyroid and Seizure Medications)**

Day of Your Examination

Please leave all jewelry and valuables at home.

You MUST have someone drive you and stay at the hospital during your procedure. You cannot drive for 12 hours after this procedure. If you do not have someone to drive you home after this procedure, the EGD will not be done.

On the day of your EGD, you will be given a consent form to read and sign. This gives the physician permission to perform this examination. This form must be signed before this procedure can be done. If you have any questions, please feel free to call us at (586) 598-5731.

Report to: Henry Ford Macomb Hospital (North Entrance) Unless you have been scheduled at the Utica Surgery Center, then you are to report there.
